May we dedicate this year to our greatest asset—the children of Kingston, for they are the future. It is on them that the strength, progress and welfare of the community depends.

We owe them much, for in a few short years the burdens of adulthood will overtake them and they should be prepared.

We owe them more than a carefree childhood, quality education, freedom of expression and generous allowances.

We owe them our personal attention to see that they are taught the proper values, the rights of others and that respect is something to be earned and cherished.

We should make them aware of the liberal advantages they now enjoy and their responsibility to preserve these advantages for future generations.

We must teach them pride in themselves, their school, their home and their community. And, above all, we should teach them to pray.

Towards these ends may we dedicate this year.

Article IV HISTORIC DISTRICT

A. Purpose and Authority: For the purpose of preserving the historical and architectural heritage of the Town of Kingston, two Historic Districts are hereby established in conformance with Chapter 31, Sections 89a to 89L, inclusive, N.H.R.S.A. 1955, and all subsequent amendments thereto. The Selectmen shall appoint an Historic District Commission (HDC) with the powers and duties stated therein. The commission shall establish such rules as are necessary to accomplish the purpose of this article.

The area also contains a variety of public buildings serving religious and civic functions, dining facilities, customary home occupations, traditional home arts and crafts, gardening, domestic animal raising, and service professions. The area is characterized from its general appearance along the Plains as typical of a small New England village containing many fine examples of colorful architecture as well as a mix of other architectural types.

In this District the following uses will be permitted in a manner not inconsistent with the character of the District:

a.Residences.

b.Retail stores principally designed to serve shoppers from the Community. The HDC may approve retail stores of 1500 feet or less. Public hearings must be advertised and held for requests, for retail areas greater than 1500 sq. feet.

c.Animal clinics.

d.Restaurants.

e.Apothecaries.

f.Service offices such as real estate brokers, doctors, lawyers, or dentists.

g.Churches and church related accessory buildings.

h.Civic buildings and lyceums.

i.Schools and government buildings.

2. Historic District II is a residential area containing some fine old homes.

a. This area is zoned Rural Residential and uses will be permitted in accordance with the Kingston Zoning Ordinances and in conformance with Historic District Ordinances.

F. Certificate of Approval: Any person wishing to construct, alter, move, demolish or otherwise change the exterior appearance of a structure within the Districts or construct a new structure within the Districts or institute a new use or enlarge an existing use of land or buildings within the Districts, must file an application and obtain a certificate of approval from the Historic District Commission before any other building permits, otherwise required by the Town are obtained. Necessary forms and procedure guidelines may be obtained from the clerk at the Town Hall. Nothing in this ordinance shall be construed to prevent ordinary maintenance and repair of structures in the Historic District.

G. Procedure: Upon obtaining an application, the applicant should supply the information relative to such application as may be required by the Historic District Commission from time to time. No building permit shall be issued for any work proposed to be done in the Historic District until the commission has approved the application. The commission shall make a decision within 45 days of receipt of application and failure to do so will be deemed to constitute an approval by the commission. Within said period, the commission shall:

1. Determine that the application is of no interest to the purpose of the Historic Districts or that the proposal is harmonious with the purpose of the Districts and so notify the applicant or,

2. Determine that the application represents a proposal that is in conflict with the purposes of the Historic Districts and schedule a meeting with the applicant. The Commission shall promptly notify the applicant and the Selectmen of its decision.

H. Public Hearings: Both the commission and the applicant or each of them shall have the right to call for a public hearing on the proposal. Notice of said hearings shall be posted at least ten (10) days in advance in a newspaper of general circulation and in at least three (3) public places. Notice to abutting and adjacent property owners shall be sent by registered mail. Testimony shall be received from any party desiring to participate.

I. Guidelines: In considering appropriateness of an application, the commission shall consider, among other things:

1. The effect that the exterior facade of the building will have when viewed in relation to the surrounding buildings in the district.

2. The change, if any, in the amount of noise, congestion and traffic that the proposed building or use will create in the district.

3. Whether the proposal is of a design, or of materials, or for a purpose or use inconsistent with and detrimental or injurious to buildings and purposes or uses upon adjoining lands and whether such proposal is such that it will detract from the character and quiet dignity of the Kingston Historic Districts.

J. Denial and Appeal: In such cases as the commission may deny an application, it shall supply the applicant and the Board of Adjustment with a letter citing the reasons for such denial. Any person aggreived by a decision of the commission may appeal to the Board of Adjustment.

K. Violations: Upon information that the provisions of this ordinance are being violated, the commission must notify the Board of Selectmen who may seek appropriate relief in a court of competent jurisdiction.

Kingston Town Clerk

MINUTES OF CONTINUED TOWN MEETING AT SWASEY GYMNASIUM, March 9, 1977

Meeting was called to order at 7 P.M. by the Moderator, Richard L. Russman, who welcomed everyone to the Town Meeting. Prayer was offered by the Rev. George Fisher, Pilgrim United Church of Christ. The Moderator introduced the three Selectmen — Michael R. Priore, Chairman, Charles F. Hannagan and Billy L. Gates. He also introduced the Town Clerk, Bettie C. Ouellette, and Mrs. Jean M. Spinella, who was assisting Mrs. Ouellette. He asked any new voters to stand, and then read the results of the balloting from the day before. The Moderator appointed the following to the Finance Committee: Carl Hornig, Robert Merrick, Bruce Sloan and Stanley Wentzell. He thanked those who had served for the past three years and briefly explained the Finance Committee.

Art. 2 — A motion was made by Michael Priore, and seconded, that $359,700.00 be raised and appropriated to defray Town charges for the ensuing year and make appropriations of the same. The Finance Committee recommended that any Town Officers' salaries be separate warrant articles in the future if there is to be an increase and also that the material be given to the the Committee in advance in the future.

An amendment was then made by Robert Merrick, and seconded, that $11,700.00 be cut from the budget in the following areas: $3,000.00 for the Selectmen's Salary increases; $4,000.00 for Town Officers' Expenses; $2,500.00 for Damages and Legal Expenses; $2,200.00 for the Southern Rockingham Regional Planning Commission.

It was then voted that each proposed reduction be acted upon item by item. (Voice vote uncertain. Standing vote: YES 126, NO 101.) Tellers appointed were Carl Hornig, Steven Briggs, David Conant and Ralph Roberts.

It was voted by voice vote to cut the $3,000.00 from the budget for the Selectmen's Salary increases.

On a standing vote(YES 93, NO 143) it was NOT voted to cut $4,000.00 from the Town Officers' Expenses.

On a standing vote (YES 98, NO 137) it was NOT voted to cut $2,500.00 from the Damages and Legal Expenses.

It was voted by a voice vote to NOT cut $2,200.00 from the budget for the Southern Rockingham Regional Planning Commission. This vote was taken following a motion made by Mrs. Natalie Vincent to move the question — which was passed.

Now the new budget figure of $356,700.00 was passed on a secret ballot. YES 201, NO 69, 2 voided.

The following assisted the Town Clerk in the counting: Mrs. Adele Russman, Mrs. Jean Spinella and Mrs. Sheila Briggs.

(The Selectmen clarified the $500.00 difference in the original figure proposed as adding $500.00 for the replacement of the motor in the present Police Cruiser.)

Art. 3 — It was voted by secret ballot to authorize the Selectmen and Town Treasurer to borrow such sums of money in anticipation of the collection of taxes for the current year and to issue in the name of the Town negotiable notes, the aforesaid notes to be paid during the current year from taxes collected during the year. YES 201, NO 30. During the discussion, Kenneth Briggs, Jr. moved that the Moderator cast one ballot and the Moderator ruled this motion out of order. Mrs. Uno Matson wanted the names on the petitions read, but the people voted by voice vote not to read these names.

Art. 4 — It was voted by a standing vote (YES 142, NO 52) to pass over this article — as recommended by the Selectmen. This article was to appropriate $15,000.00 to build new offices for the Selectmen and Town Clerk in the basement of the Town Hall and to use the Revenue Sharing Funds.

Art. 5 — It was voted by secret ballot to raise and appropriate the sum of $665.41 and the State will contribute $4,-436.09 for Class IV & V Highways under the provision of T.R.A. YES 208, NO 12. (The vote was taken after Uno Matson made a motion to move the question — which was passed.)

Art. 6 — It was voted by secret ballot to appropriate the sum of $1,500.00 to purchase a mower attachment for the Town Highway Tractor and authorize the withdrawal of this amount for this purpose from the Revenue Sharing Fund established under the provisions of State and Local Assistance Act of 1972. YES 201, NO 34.

Art. 7 — It was voted by secret ballot to raise and appropriate a sum of money not to exceed $6,500.00 for the purchase of a new ¾-ton pick-up truck for the Highway Department with present truck to be used as a trade-in and to authorize the withdrawal of this amount for the purpose from the Revenue Sharing Funds established under the provisions of the State and Local Assistance Act of 1972. YES 207, NO 26, 1 Void.

Art. 8 — It was voted by secret ballot to raise and appropriate the sum of $3,500.00 for use of the purchase of surplus equipment or as matching funds for equipment available from Federal, State or County sources and to designate that a portion of these funds be used to obtain radio transmitters-receivers for the three highway trucks. YES 184, NO 51.

Art. 9 — A motion was made that the article be passed as read, whereupon an amendment was made, as follows: To see if the Town will vote to raise and appropriate a sum not to exceed $11,850.00 to pay ambulance attendants for responding to ambulance calls, fire department members for responding to fires, station dispatcher for Sunday-Holiday coverage, and a sum of $1,000.00 per annum to the Fire Chief for salary and expenses. This amendment was passed on a voice vote, whereupon the main motion, as amended was passed by secret ballot. YES 166, NO 71.

After a pro and con discussion about an easier method for voting with all these secret ballots, it was voted to adjourn until 7 P.M. on the next night, March 10, 1977, at the Swasey Gymnasium. The meeting closed at 11 P.M.

Bettie C. Ouellette
Kingston Town Clerk

MINUTES OF CONTINUED TOWN MEETING AT SWASEY GYMNASIUM - March 10, 1977

Meeting was called to order at 7:00 P.M. by the Moderator who announced that Michael Priore would be a little late due to a Doctor's appointment, and that Mrs. Bettie Ouellette would not be there due to a previous commitment. It was then voted that Mrs. Jean M. Spinella be Assistant Town Clerk, pro tempore, for this meeting only — on a voice vote. The following assisted Mrs. Spinella: Mrs. Sheila Briggs, Mrs. Adele Russman, Mrs. Margaret Wentzell and Mrs. Electra Alessio.

Art. 10 — It was voted by secret ballot to appropriate the sum not to exceed $1,700.00 for the purpose of installing emergency lighting in both fire stations. State law required all public buildings to be so equipped. YES 104, NO 20.

Art. 11 — It was voted by secret ballot to allow the Fire Wards to place unexpended funds from current year's appropriations into a Capital Reserve Fund for the future replacement of fire equipment as needed. YES 127, NO 14.

Art. 12 — A motion was made that this article be passed as read, whereupon an amendment was made to change the amount to $17,300.00 and $6,200.00 to be taken from the Capital Reserve Fund. This amendment was NOT carried. Therefore, the original motion was then voted upon by secret ballot — namely to raise and appropriate the sum of $23,500.00 to authorize the purchase of a Modular Ambulance including chassis, to replace the 1967 International now in service. YES 17, NO 141, and 1 Void. Therefore, this article was NOT passed.

Art. 13 — It was voted by secret ballot to set the salary of the Chief of Police and that of the Road Agent at $10,500.00 per annum and to raise and appropriate the sum of $2,000.00 to supplement the present salaries. YES 108, NO 51, 1 Void.

Art. 14 — A motion was made to pass this article as read, whereupon the following amendment was made and passed on a voice vote — that upon delivery of the new cruiser that the present one be sold forthwith to the highest bidder or the old cruiser to be used as a trade-in, limiting the Department to one cruiser. Then the main motion as amended was voted upon by secret ballot and passed. It then read as follows: It was voted to raise and appropriate a sum of money not to exceed $5,500.00 for the purchase of a new police cruiser. Upon delivery of the new cruiser that the present one be sold forthwith to the highest bidder or the old cruiser to be used as a trade-in, limiting the Department to one cruiser, and authorize the withdrawal of this amount for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. YES 125, NO 41.

Art. 15 — It was voted by secret ballot to raise and appropriate the sum of $4,962.00 as matching funds for a Crime Commission Grant of $4,961.00 to continue the full time police officer voted in March 1976. This is a 50% funding. YES 128, NO 34.

Art. 16 — It was voted by secret ballot to approve the use of Federal Revenue Sharing Funds in the amount of $1,256 for the purchase of two (2) portable radios. YES 123, NO 38. (This was on behalf of the Kingston Police Dept.)

Art. 17 — It was voted by secret ballot to raise and appropriate the sum of $2,500.00 and authorize the Selectmen to amend the Social Security agreement between the Town and the State of N.H. to include therein all elected officials who receive more than $1,000.00 in compensation during the calendar year. Wherein a conflict of jurisdiction may occur between the Social Security system and the Police Retirement Fund, the Selectmen be further empowered to negotiate an agreement for an amount not to exceed the minimum required by said system or fund. YES 108, NO 41, 1 Void.

Art. 18 — It was voted by secret ballot to raise and appropriate annually a sum not to exceed $3,000.00 to provide group hospitalization plan for all full-time town employees. (Note: Article 16 as passed March 13, 1974, voted to appropriate a sum not to exceed $1,500.00 to cover the Chief of Police, Road Agent and Assistant Road Agent.) YES 125, NO 41.

Art. 19 — It was voted by secret ballot to raise and appropriate the sum of $500.00 for the placing of bound markers and recording of same at the dam site located on Main Street and further to authorize the Selectmen to enter into an agreement with the abutters as to the exact location of said bounds. YES 85, NO 50.

Art. 20 — It was voted by secret ballot to raise and appropriate the sum of $635.00 to reimburse, in part, Rockingham Child and Family Services a private, non-profit organization, for services rendered to 21 families of the Town of Kingston during the 1976 calendar year. (These families used 91 number of units of service with a resulting deficit of $7. per unit. We therefore request $635.00 to be used for current operating expenses to enable Rockingham Child and Family Services to continue providing counseling for residents of the Town of Kingston whether or not said residents are able to pay.)

YES 123, NO 20.

Art. 21 — It was voted, as amended, by secret ballot, to authorize the use of the Daley Barn by the Kingston Historical Museum Committee as an annex to the present museum for the storage and display of antique vehicles and other items. Art. 22 — A motion was made and seconded to pass this article as read whereupon a lengthy amendment was made by Frank Ouellette, and seconded. This amendment dealt largely with electrical work and was NOT passed on a voice vote. Then the following was voted by secret ballot — that the Town will give the Selectmen the authority to appoint a building inspector to check each building and waste disposal system being constructed or moved into the Town of Kingston to determine that all existing and newly-adopted ordinances are being followed. And further to set the following fee schedules for such inspections with said fee being due and payable prior to the issuance of a building permit by the Selectmen. A building to be used for residential, storage or commercial purposes shall pay a fee of .02¢ per square foot fo floor space with a minimum fee of $5.00 and maximum fees of $25.00 for residential storage buildings and $50.00 for commercial buildings. An additional charge of 50% of the fee may be charged for any construction begun without a permit. And further, that the Selectmen be empowered to use an amount not exceeding the total fees collected to pay the building inspector. YES 77, NO 66.

Art. 23 — It was voted, by voice vote, to authorize the Trustees of Trust Funds to accept from Mrs. Catherine Clements a triangular piece of land with a length of 132 feet along the eastern boundary of the Plains Cemetery, in exchange for a cemetery lot in the same cemetery. John Reinfuss and Pamela C. Verrill, Auditors

1977 was another busy year in the office of the Town Clerk. I have attended several work sessions for Town Clerks, and have represented the Town of Kingston at various meetings. The receipts for Vehicle Permits again increased (by $4,517.00 over 1976) and the dog licenses brought in $148.00 more than the year before. In the coming year, there should be a larger increase in the dog licenses due to the new law regarding dog licenses which was effective August 30, 1977. (Males will be $6.00; females $6.50; neutered males and spayed females $3.50.) The continued fine cooperation of the Dog Officer, Richard Samoisette, is most appreciated. Many thanks to my daughter, Holly, for all her help, and to Mrs. Irene White for helping out while I was in the hospital. It is a pleasure to serve the people of Kingston.

(Signed) Bettie C. Ouellette
Town Clerk

REPORT OF THE TRUSTEES OF TRUST FUNDS 1977

In order to report more clearly on the work of the Trustees, this account is divided into two parts. Originally the Trustees of Trust Funds were simply responsible for the investment of funds and disbursement of income, as provided by State Law. In Kingston, over the years, the Trustees gradually accepted the further duties of cemetary care and maintenance, as confirmed by a 1973 vote of the Town. Hence the two separate and distinct functions.

Trust Funds

A summary of trust fund accounts is given in the accompanying pages and the detailed records of individual perpetual care funds may be seen on request. The increased interest rate on invested funds in recent years has yielded substantially greater income to be used for designated purposes.

Cemeteries

During 1977 the following plots were sold and perpetual care funds established for each.

Greenwood - 3 - 10' x 10', 1 - 10' x 20'

Plains - 3 - 10' x 20'

Pine Grove - 3 - 10' x 10', 3 - 10' x 20'

Beginning in 1978, the practice of recording titles to lots sold is being discontinued in conformance with common practice elsewhere. Each buyer will receive a deed with the option of having the title recorded at his own expense. Formal recording is considered unnecessary because the buyer has a deed and his ownership is shown in permanent cemetery records.

In 1977 some 1096 feet of chain link fence were erected; restoring the eastern side of the Plains Cemetery and extending the Greenwood fencing along the eastern boundary. This work involved extensive tree removal and additional removal was performed at Mill Stream Cemetery.

At the Plains, Greenwood and Pine Grove Cemeteries, soil tests were made and fertilizer and lime applied as a beginning of a lawn improvement program.

After the resignation of Wilbert Swett as Sexton in the Spring, the duties were divided with George Leate in charge of Mill Stream and Happy Hollow and Arthur Pool in charge of the Plains, Greenwood and Pine Grove.

To avoid damage while mowing, flowers and plants placed by lot owners should be kept in pots, as far as possible. Otherwise the Board cannot be responsible for damage.

For the administrative work involved in cemetery care such as laying out lots and graves, handling payrolls, inspection and travel, the Trustees have made it a policy to reimburse members of the Board from cemetery funds because this work is over and above the trust fund duties. This procedure is explained for the information of voters.

LIBRARY REPORT - 1977

We were pleased to present the film, "The Challenge of a Nation", narrated by Hugh Downes, for our National Library Week program. Mr. Carl Hornig of the Kingston Conservation Commission spoke on Wetlands Preservation.

Mrs. Phyllis Gallagher is the new president of the Friends of the Library. The Friends have had varied programs, activities and parties for the children and young people each month. Mrs. Shaw, students of the Middle School and the Friends presented a Halloween puppet show for the Bakie School and for the pre-school children at the library.

Mrs. Carol Rich has completed her reference course at the University of New Hampshire.

The Robert Frost exhibit, prepared by the University of New Hampshire, was loaned to the library for the month of November.

Circulation has increased almost 1,000 books in the past year.

Attendance at our bi-monthly movie programs for both pre-schoolers and the primary grades has amounted to 1,900 children.

The Bicentennial quilt, made by ladies of the community, is now on display at the library.

Three trees have been planted on the library grounds with the able assistance of Mr. Walter Riley.

The Kingston Garden Club, whom we wish to thank, donated two books in memory of deceased members: "The International Book of Christmas Carols" and "Christmas in Williamsburg"'. We wish to thank them also for filling our urns with beautiful geraniums last spring. A "thank you" also to Mr. and Mrs. Walter Jones for the fragrant, live Christmas tree for the Junior Library and to the many patrons who donated books to the library this past year.

Respectfully submitted,
Janet Merrick

KINGSTON CONSERVATION COMMISSION
ANNUAL REPORT 1977

The Conservation Commission has been fortunate in having a full membership of dedicated people in 1977 and it has been a very busy and productive year.

The following committees were appointed to ease the work load:

On-Site Sub-Division Survey	Wiley Baldwin, Chairman
Dredge and Fill	Robert Cornish, Chairman
Gravel Pits	Alan Grimes, Chairman
Land Acquisition	Carl Hornig, Chairman

At the request of the Selectmen, one new gravel pit was inspected and the permit was approved. All other gravel pits in town were inspected and recommendations were made to bring them up to the standards of the gravel pit ordinance.

There were 25 requests for Dredge and Fill permits investigated. The large amount was mainly due to the draw down of the Pow Wow River Pond.

The Commission did 12 on-site Sub-Division surveys and many recommendations were made to the Planning Board.

Our Vice-chairman Dick Dever attended an approved 10 week course on Soils and Community Planning held by the U.N.H. School of Continuing Studies at Sanborn Regional High School.

Alan Grimes attended the Annual Meeting of the Conservation Commissions held in Durham this year.

Our much deserved thanks go to Virginia Morse, our hard working secretary, who is responsible for the supervision of the attractive sign placed on one piece of town property under our care.

The Conservation Commission meets on the first and third Wednesday of each month at the Grace Daley House. All meetings are open to the public. The Commission was originally formed to help preserve the town. We need your help. Come to the meetings with your ideas, criticisms or suggestions.

Respectfully submitted,
David Mayhew, Chairman

REPORT OF KINGSTON POLICE DEPARTMENT

The Kingston Police Department is comprised of the following fourteen men ready to serve their community: full time elected chief, Neil R. Parker, Sr., full time appointed officer, Norman M. Bower (50% Crime Commission funding), two elected officers, Richard A. Samoisette, Wayne E. Martin and 9 specials, David G. Conant, George A. Korn, Glenn P. Miller, Charles E. Larrabee, Robert H. Wunderlich, Richard Talham, Donald W. Briggs, Jr., Robert Comei, Nicholas Sarcione, 1 matron, Dorothea Cleary, and Richard A. Samoisette as Dog Officer.

During 1977 the police department responded to 13, 869 police related calls, 115 auto accidents and patrolled over 100,-000 miles of highways in the community.

Because of the increase in dog complaints we were able to incorporate a dog officer, Richard A. Samoisette, who has worked effectively by keeping a large majority of the dogs restrained and licensed.

Officer Bower completed a six week Police Academy course certifying him as a full time Police Officer, the second for the Town, at the New Hampshire State Police Academy at no cost to the Town.

To continually upgrade the caliber of the police officer the officers will attend a refresher training course this summer sponsored by the Rockingham County Sheriff's Department.

This year the department lost a loving member, Harold E. Jillson, and a great member of the community, and a willing hand was always there to help. He will be greatly missed by all.

Chief Parker and Lt. Bower are attending Advanced First Aid classes to be able to be licensed Ambulance attendants. Licensed attendants of the department include Donald W. Briggs, Jr. and Robert H. Wunderlich.

I want to thank the Town of Kingston for its co-operation and will continue to serve the community.

The police department numbers are as follows:

Emergencies	772-4716
Routine business	642-5742
Dog Officer	642-3418
If no answer	772-4716

REPORT OF THE KINGSTON FIRE DEPARTMENT 1977

Fire Department responded to 77 fires:

3 Chimney	3 False alarm
2 House	3 Structural
4 Car	3 Oil burner
2 Dump	7 Wash down
1 Propane	7 Electrical
1 Rescue	5 Mutual aid
28 Grass	2 Motorcycle
1 Stove	1 Restaurant
2 Truck	1 Mattress
1 Barn	

In listing the above 77 fires, I am pleased to see that we have had only 3 chimney fires. I have inspected many wood stoves and assisted home owners in regard to installing and maintaining stoves. The State of New Hampshire has published a pamphlet "How To Use Fireplaces and Wood Stoves Safely" and I have copies available at my office.

The problem of arson connected fires has increased in this area as well as in other parts of the state. There have been several suspicious fires and I have assisted the State Fire Marshal with investigations of these. In an effort to keep up to date with this situation, I have joined the N.H. Arson Investigators Assoc. as a charter member. I am also a member of the N.H. Assoc. of Fire Chiefs and the Mutual Aid Assoc. Mutual Aid assistance was called 5 times this year and we responded to 5 Mutual Aid calls from neighboring communities. We have been extremely fortunate in regard to serious fires in our town. However, it is a great comfort and relief to know that extra help in the way of manpower and trucks is only a phone call away and we are glad to give our help to our neighbors.

This is the first year that our firemen and ambulance attendants have been paid: 44 members received checks before Christmas and 4 returned their checks thus donating their time.

I believe most of the Kingston residents who require Tot Stickers for children or elderly people in their homes have received them from the census takers. However Tot Stickers are available on Sundays at the Central Station. 642-5512 is the number to call for reporting fires and requesting ambulance service. I aks for your cooperation in calling this number only for these purposes. Please do not call the Fire Department for no school information.

At this time I would like to extend thanks and appreciation to all those residents who have assisted the Fire Department in any way during the past year.

Respectfully submitted,
Frank R. Fellows, Chief
Kingston Fire Department

KINGSTON FIRE DEPARTMENT AMBULANCE SERVICE

During the past year the Fire Department Ambulances made a total of 232 calls: 140 in Town and 92 out of town. We responded to 60 Highway Emergencies, 155 Home Emergencies, and 17 Transfers.

There are presently 10 licensed attendants.

The Ambulances have made and turned back into the General Fund of the Town $4,321.45. In the Ambulance Fund there is $2,348.70.

Respectfully submitted,
Donald W. Briggs, Jr.
Director
Ambulance Service

REPORT OF THE KINGSTON DOG OFFICER

The burden of tax dollars spent on dog control in the town of Kingston lies mainly with those repeat violators who refuse to comply with the state and local dog laws that require all dogs to be registered and restrained, and to wear proof of registration at all times. It is a fact that these same violators tend to blame the dog officer rather than themselves for the stiff fines imposed. The recent census has uncovered still more violators who will be hearing from the dog officer in the coming year.

Please note that no dogs were destroyed in Kingston during the year of 1977. Thanks is given to Brenda Samoisette and Judy Smith for their efforts to find homes for dogs in need. Thanks also to Bettie Ouelette whose records make the job easier and to Dr. Dan Burbank and his staff who have repeatedly opened their doors to the dog officer and donated their assistance, even at late hours. At this time I would like to thank the many concerned citizens who have contributed their time and monies, and to those who comply by registering and restraining their pets.

Hopefully, 1978 will be an even more successful year for dog control in the town of Kingston.

Richard A. Samoisette

ANNUAL REPORT OF THE BUILDING INSPECTOR

Permits for any alterations, additions, or new construction must be obtained from the Selectmens' office. Residents must remember that permits become void if construction is not begun within 6 months or substantially completed within 2 years from date of issue. All permit holders must obtain an occupancy permit before moving in or they are in violation.

All installers of heating systems must obtain a temporary permit and all underground oil tanks must be inspected prior to being covered. New homes must have a minimum of 2 smoke detectors. Residents planning to install a swimming pool should check regulations before drawing plans.

124 permits have been issued during the year and 94 permit sites have been viewed and are in the process. There is considerable construction under way in Kingston and it is necessary that everyone adhere to the rules and regulations.

Frank R. Fellows
Building Inspector

TOWN OF KINGSTON
PLANNING BOARD ANNUAL REPORT — 1977

This report covers the work of the Planning Board as it was constituted prior to Town Meeting and the Board as it reorganized after Town Meeting.

The Board met regularly on the first Tuesday of each month. Additional meetings were scheduled as needed. 28 meetings were held in 1977. 15 subdivisions were approved.

In February, the second public hearing to amend two sections of our Land Use Ordinance was held. Although these amendments were scheduled to appear on the March ballot, our town counsel found an error which could not be rectified without an additional hearing. Time ran out and the townspeople voted to hold a special Town Meeting on April 23. Both amendments passed.

In March, the Board voted to postpone the election of new officers. Officers from the previous year were retained in order to maintain a status quo position of the membership during court proceedings in which the Board was involved during the spring.

A joint meeting with the Kingston Conservation Commission, Board of Selectmen, and Town Road Engineer was held in mid-April to discuss all aspects of bonding of roads within subdivisions. Proposed changes resulting from this meeting and subsequent discussions at our regular monthly meetings will be made when the subdivision regulations are revised in 1978. Robert Morse replaced David Hemeon as a member.

In May, James Jackson resigned his position. He was replaced by James Rankin. Election of new officers was held and the Board membership was reorganized as follows:

Daniel W. Burbank, V.M.D.	1978 Chairman
Eileen M. Nash	1982 Secretary
William Rent	1980
John Impey	1981
Robert Morse	1981
James Rankin	1979
Alice P. Meehan	1978 Selectwoman, ex-officio

The term of Eileen Nash expired in 1977. She was reelected to a new term.

The Soil Survey done by the Soil Conservation Service and soil engineers with Southern Rockingham Regional Planning District Commission was completed and the results discussed with the Board in June. At that time the Board voted to allot time during the coming year for investigation into the possibility of a wetland zoning proposal sometime in the near future. Several members of the Board attended a number of meetings during the summer in surrounding communities which have already adopted wetland zoning and soil-type lot sizes to study the impact of such action. Their reports were very favorable.

During the summer months the Board spent time discussing the reorganization and revision of our Town Ordinances. It had become evident during the past year that such action was absolutely necessary. Discussions with the subdividers, development companies, engineers, the Board of Selectmen, and our Town Counsel indicated that our attention should focus on this matter. Actual work began in September. The overall plan included a decimal codification system for ease in location of an ordinance, the combining of the Building, Zoning, and Land Use Ordinances into a single ordinance, and a number of changes — mostly editorial in nature — for the purpose of clarity. The resulting document will be placed on the March ballot.

In October the Soil Conservation Service and SRRPDC soil engineers conducted a workshop on wetlands to acquaint the Board with Kingston's wetlands and the necessity for preserving them. Additional meetings were scheduled during November and December for the Board to complete the final draft of the reorganization of the Town Ordinances.

The Board plans to focus attention on growth problems during the coming year. It is hoped that community involvement in discussions of Kingston's growth will result in sensible planning for our future.

Daniel W. Burbank, V.M.D., Chairman
Eileen M. Nash, Secretary

ANNUAL REPORT OF THE KINGSTON RECREATION COMMISSION

The major goal of the Recreation Commission during 1977 was to receive more input from the townspeople so that we could expand, reduce, add or delete programs you felt were important.

Major changes in 1977 included adding a summer tennis program and community theatre, expanding our senior citizens program and deleting the exercise classes and preschool art classes.

Over 200 children participated in the Easter Egg Hunt. We tried a scavenger hunt format, discovered that it was not workable on the plains, so next year we will return to our past methods.

An average of 225 children participated each week in the very successful playground program. Track meets, a carnival, pet show, variety program, crafts and hobbies highlighted the activities. This next summer we will reapportion the staff, and change the age groups of participants to aged 6, having finished the first grade through age sixteen.

A winter art program and a fall crafts program will be added to the activities this year.

Sports and Family Day was more successful than ever this year. Athletic events, food, contests, exhibits and the Anything Goes competition were attended by over 400 persons, with over 200 participants.

We hope to add exercise programs, gymnastics, an over age 35 basketball night and other winter programs in 1978.

The Recreation Commission with the cooperation of the school district made the district's tennis court available to Kingston and Newton residents for the low fees of 50¢ per adult per hour and 25¢ per child under twelve per hour, during the summer. In 1978 the National Junior Tennis League will provide free lessons and tournaments to all children aged 8-18 during the summer - all at no cost to the town.

Many thanks to members of the VFW, the VFM Auxiliary, Lions Club and police for making the Halloween parties and dances successful. In 1978 we are planning to add a "Horribles Parade" for the preschoolers.

The Swim Program lost money this year, therefore next year we plan to improve the Town beach at Greenwood Lake and hold lessons there for Kingston children only. Classes will be smaller and less chaotic. Our staff will be reduced from nine to six with spaces for 130 children in the program. In 1977 230 children participated in the program, with eighty from Kingston.

The Merry Seniors took several trips this year, making use of our budgeted Senior Citizen fund. We paid for Kingston members only.

The newest 1977 program was the Kingston Community Theatre which the Recreation Commission sponsors. A comedy, "Exit the Body" and the musical "Carnival" were produced by area thespians. Because of the large response, three productions have been selected for 1978.

I would personnally like to thank my fellow members on the Recreation Commission for the time and energy they have donated to the Commission. Harry Carr always finds someone to donate whatever we need, then spends countless hours building picnic tables, setting up activities and providing new ideas.

Ellie Becotte was the Commission liason with the Community Theatre. She handled the money, publicity, errands, etc. and donated almost every day for three months to help the theatre group bring two productions to the town.

Gertrude Semple handles our finances. With so many programs being simultaneously conducted we must maintain a close watch on where our money is going. Gertrude does that, and is always ready to help decorate or set up activities.

Nat Kelley is invaluable. She does all the necessary letter writing, record keeping and telephoning. Always ready to help out in any way, Nat helps keep us organized. All four of my fellow members have the enthusiasm necessary to keep our commission active and responding to townspeople's requests. I thank them all.

ANNUAL REPORT 1977
KINGSTON BICENTENNIAL COMMITTEE

Although we celebrated our nation's Bicentennial in 1976, due to the request of our State Bicentennial Committee, Kingston's Committee continued its work this year.

Due to the fact that Kingston sent no troops to the Battle of Bennington in 1777, our town was ineligible for active participation in the state commemoration of the Battle held during the summer of this year. However, on a local level, and as Josiah Bartlett did send medical supplies to the Battle, the Kingston Bicentennial Committee did sponsor an Old Fashioned Band Concert in August and the event was enjoyed by all in attendance.

In March of this year, a placque of Kingston's Revolutionary War Soldiers, researched by Rodney Wilson and created by Roland Hogan, was presented to the Town and is now displayed in our Town Hall.

Color slides of Kingston 1976 were completed and a slide case and hand viewer were purchased. These slides will be available for viewing in the Nichols Memorial Library.

A special project of the Committee was the purchuse of 6 "Welcome to Kingston" signs, to be placed at main routes to Kingston. Two of these lovely signs have been placed and the remaining signs will be erected in the spring.

Finally, we should like to give special credit to the dedicated women who produced our beautiful Town of Kingston Quilt.

In conclusion, as an outgoing committee, we wish to extend appreciation to the Town for allowing us to serve. Kingston is a source of rich heritage - may this heritage guide our Town in its future goals.

REPORT OF HISTORIC DISTRICT COMMISSION

The Historic District Commission has met the first Monday of each month at 7:30 P.M. at the Daley House. Three special meetings were held during the past year.

Eleven applications were received during the year, ten of which were approved and one considered of no interest.

There have only been five members on the Commission this past year, one of which is a Selectman representative and one represents the Planning Board. We hope that this next year we can have the seven assigned to us which are allowed under State Statutes, and that we have operated with other years since the first Historic District was established in 1972.

All meetings are open to the public and we would welcome opinions and suggestions from the Townspeople.

ANNUAL REPORT KINGSTON HISTORICAL MUSEUM - 1977

The Kingston Historical Museum is open to the public from June to October on Sunday afternoons and by appointment. During 1977 we had forty out of town visitors from New Hampshire, Connecticut, Massachusetts, Rhode Island, Iowa, Wisconsin and Illinois as well as Kingston residents. Classes from Sanborn Middle School went through the museum as well as classes from three kindergartens.

The Museum Committee wishes to thank the Townspeople for making it possible for the Daley Barn to be repaired. Mr. James D. Penney and students from Sanborn Regional High School Industrial Arts Department did a grand job of restoration and in the spring the barn will be open at the same time as the museum. We plan to have some interesting exhibits there to go along with the old barn atmosphere. This will necessitate having three volunteers every Sunday from 2 to 4 P.M. to man the museum. We hope there will be many ready to help us when June approaches.

In the spring we hope to be able to improve the grounds around the barn area by filling, grading and the planting of grass seed.

During the year donations for exhibit have been made by Charles Hannagan, Mrs. Leslie Gribben and Miss Elaine Cheney. We are always glad of gifts and loans and would be pleased if some of the Townspeople have exhibits they would like to place in the museum for the summer. We have a fire and burglar alarm system for your protection as well as good neighbors.

We held our 3rd annual Flea Market in July which was very successful and takes care of most of our expenses for the year. We thank all who gave us help at that time.

Come visit us this summer. There is sure to be something of interests to anyone who enjoys history, particularly the history of Kingston.

Gertrude E.B. Wilson, Secretary

REPORT FROM SOUTHERN ROCKINGHAM REGIONAL PLANNING DISTRICT COMMISSION REPRESENTATIVES FOR 1977

Southern Rockingham Regional Planning District Commission (SRRPDC) has been engaged in a broad scope of projects for the six member towns during 1977. Atkinson, Hampstead, Kingston, Newton, Plaistow, and Salem have all received assistance from the staff at the commission office in Salem during the year. Assistance to each member town varies according to need and specific requests from the town. Following is a summary of activities at SRRPDC for the town of Kingston during 1977.

A list of these activities would include:

1.) Completion of soil survey and presentation of maps and field sheets to the town.

2.) Completion of a wetlands survey, maps and report presented to the town.

3.) Several on-site soil investigations for the planning board.

4.) Assistance to planning board with proposed subdivision applications.

5.) Occasional legal assistance to planning board.

6.) Assistance to selectmen on a solid waste disposal study.

Items 1 & 2 above will provide long range benefit to the town in the form of better available information for the selectmen, planning board, and conservation commission in dealing with problems of development, land use, and current use assessment.

In addistion to the items mentioned above work done by the legal staff at SRRPDC has provided guidelines and information being utilized in the reorganization of the town ordinances proposed for your approval at this years town meeting.

The SRRPDC staff has prepared an index to all reports and publications available through the commission office at 19 Main Street, in Salem, N.H. 03079. The index is available at the Town Library, at the Selectmen's office or at the Planning Board office. A call to the commission office at 893-5766 or to one of the two Kingston representatives will always provide a

quick response to any request for information. Numerous publications have been added during 1977 pertaining to water quality, land use planning, and transportation for our area.

The rate of assessment for the member towns' dues in SRRPDC up to this year has been at the rate of 75¢ per capita based on the 1970 census. The assessment rate for the coming year is 60¢ per capita with the population figure being adjusted to coincide with the 1977 N.H. office of comprehensive planning figure. Kingston's assessment for the coming year is $2359 which is an increase of $197 (approximately 9%) over the previous rate. A modest increase was necessary this year in order to insure a continuation of services to the member towns.

The Commission anticipates an increase in requests for assistance by the individual member towns in the coming year as the towns prepare to meet the problems of development while still maintaining the high quality of life to which we have become accustomed.
